## AUDIT FINDINGS

### Narrative:

The auditor's description of the audit methodology should include a detailed description of the following processes during the pre-audit, on-site audit, and post-audit phases: documents and files reviewed, discussions and types of interviews conducted, number of days spent on-site, observations made during the site-review, and a detailed description of any follow-up work conducted during the post-audit phase. The narrative should describe the techniques the auditor used to sample documentation and select interviewees, and the auditor's process for the site review.

Rite of Passage, Inc. (ROP) contracted with William Benjamin, DOJ certified PREA Auditor from Benjamin Correctional Consulting, LLC, to conduct a PREA compliance audit of the Sierra Sage Academy, located in Yerington, Nevada. The Sierra Sage Academy's audit notification was posted in all common areas and living areas on April 9, 2016.

Mr. Benjamin, after receiving and reviewing the pre-audit questionnaire and all of the facility's supporting documents on the PREA Audit Online System on June 25, 2016, conducted the onsite PREA compliance audit from June 27 - 28, 2016. An entrance interview was conducted on June 27, 2016 with Program Director Rebekah Graham, Shift Supervisor Ben Jefferson, Regional Improvement PREA Coordinator Heather Howell, PREA Compliance Manager Walter Parham, and Director of Human Resources and Training Mike DeBusk.

The onsite PREA compliance audit included a complete four (4) hour tour of the facility to conduct a detailed observation of all areas of the facility. Formal interviews were also conducted with Executive Director Lawrence Howell, Program Director Rebekah Graham, Shift Supervisor Ben Jefferson, Regional Improvement PREA Coordinator Heather Howell, PREA Compliance Manager Walter Parham, Director of Human Resources and Training Mike DeBusk, Therapeutic Manager Joshua Lepley, Medical Assistant Theresa Hyde, Senior Coach Counselor Courtney Quintero, and five (5) other randomly selected Sierra Sage Academy staff. Throughout the audit, informal interviews of both residents and staff were conducted to verify facility compliance with the PREA standards. A complete and thorough review of all supporting documents, agency and facility Policies and Procedures, residents' case files, and other related supporting documentation was conducted with the Regional Improvement PREA Coordinator and the PREA Compliance Manager. Daily out briefs were conducted with the Program Director, the Regional Improvement PREA Coordinator, and the PREA Compliance Manager.

A total of ten (10) female residents were interviewed, with ages ranging from 14 to 17 years old. The Auditor selected all of the residents at random from various living units and status levels from a facility student list. At the time of the audit, there were no current residents that had made an allegation of

sexual harassment within the past year. All residents interviewed had extensive knowledge of their right to be free from sexual abuse and sexual harassment. All residents were aware of the state's abuse hotline and the facility's procedures for reporting abuse, although none had ever needed to use it. All residents acknowledged they were screened upon admission and received basic PREA information which includes the facility's "Zero Tolerance" policy on engaging in sexual abuse or sexual harassment. Within seven (7) days of admission, residents are provided more comprehensive PREA education which includes a video explaining their right to be free from sexual abuse and sexual harassment. All residents knew the multiple ways to report abuse and felt very confident that any report they made would be properly addressed by the facility's administration. In the past twelve (12) months, there were three (3) unfounded and one (1) substantiated sexual misconduct allegation. None of the residents involved were at the facility to be interviewed.

A formal exit interview was conducted at ROP's Corporate Headquarters in Minden, Nevada on June 29, 2016 with Executive Director Lawrence Howell, Program Director Rebekah Graham, Business Manager Brenda Doland, Sierra Ridge Academy Director of Student Services Galey Betzler, IT Services Chris Gray, ROP Program Monitor Fernando Serrano, Qualifying House Program Manager Bobby Watson, Girls Qualifying House Program Manager Christine Guinn, Qualifying House Program Director Peter Woods, Athletic Director John Dibble, Regional Improvement PREA Coordinator Heather Howell, PREA Compliance Manager Walter Parham, and Director of Human Resources and Training Mike DeBusk.

All staff displayed a high level of professionalism, knowledge of the PREA requirements, and knowledge of their roles in the PREA process. All residents interviewed, both formal and informal, were found to be well aware of their rights granted by the PREA laws. Residents stated that they felt safe at Sierra Sage Academy and they believed that staff cared about their well-being and safety.

**Facility Characteristics:**

The auditor's description of the audited facility should include details about the type of the facility, demographics and size of the inmate or resident population, numbers and type of staff positions, configuration and layout of the facility, numbers of housing units, description of housing units including any special housing units, a description of programs and services, including food service and recreation.

Sierra Sage Academy, owned and operated by Rite of Passage, is a staff secure, free-roaming, open campus with dorm style living units serving female residents (referred to as "students" by ROP) ages 14-19 years old. The facility has two (2) group living dorm buildings (Justice Hall and Unity Hall), with a campus capacity of 48 students. Currently, Justice Hall has a population of 15 students and Unity Hall has a population of 13 students. Each dorm living unit has two (2) wings with each wing containing six (6) bedrooms, a central common area, and a secure group bathroom with individual showers and toilet stalls. The bedrooms can be configured to house one (1) or two (2) students. Currently, Unity Hall has eleven (11) single occupancy bedrooms and two (2) double occupancy bedrooms and Justice Hall has nine (9) single occupancy bedrooms and three (3) double occupancy bedrooms. Each dorm building has a "control bubble" in the center which can view both wings and the entrance to the building.

A third building, Legend Hall, is used as a Stabilization Unit where students are placed for short periods of time for therapeutic needs and may temporarily house students overnight when therapeutic needs dictate. Legend Hall is also a dorm style living unit that contains nine (9) single occupancy bedrooms that open to a central common area and a group bathroom with individual showers and toilet stalls.

There is a fourth dorm building used only for staff housing that has no student access. The campus has five (5) additional buildings: Administration (Case Management, Medical, Administration, Education and Dining), Gym (Visiting Area, Library, Basketball Gym, Bike Storage Room, Off-Limits Upstairs Area to be converted into Status Area), Vocation (Welding Shop), Ranch/Agriculture Classroom, and a Concession Stand near the football field.

**Summary of Audit Findings:**

The summary should include the number of standards exceeded, number of standards met, and number of standards not met, along with a list of each of the standards in each category. If relevant, provide a summarized description of the corrective action plan, including deficiencies observed, recommendations made, actions taken by the agency, relevant timelines, and methods used by the auditor to reassess compliance.

<b>Number of standards exceeded:</b>	3
<b>Number of standards met:</b>	40
<b>Number of standards not met:</b>	0

On June 27 - 28, 2016, a two (2) day PREA compliance audit was completed at Sierra Sage Academy, located in Yerington, Nevada. The following nine (9) deficiencies were observed by the Auditor, corrected, and verified as corrected while the Auditor was on site:

1. The medical unit had a student sickbay (sleeping room) with a solid wood door, not allowing adequate staff supervision when the room was in use. The solid wood door was replaced with a wood door containing a vision panel window.
2. The medical exam room had a wood door containing a vision panel window which did not allow complete privacy during medical exams. The door was replaced with a solid wood door.
3. The computer lab classroom in the school area only had overhead lights on a single switch that had to be turned off in order for students to see the projector screen. This created a dimly lit situation that did not allow for adequate staff supervision. A second light on a separate switch was added to the back of the room to allow proper supervision of students when the projection screen was being used.
4. The corner rooms/hallway lights in both resident living units (Justice Hall and Unity Hall) were covered or disabled, which did not allow for proper staff supervision. New lower watt light bulbs were installed and the lights are now permanently left on.
5. The entrance door in the staff housing unit contains a clear glass window that directly faces some of the bedroom windows in a resident living unit (Justice Hall). The window on the staff housing entrance door was replaced with frosted glass to avoid accidental or intentional exposure of staff to students or students to staff.
6. A staff sleeping room in a resident living unit (Unity Hall) had a window with an inadequate miniblind covering facing the central common room area, allowing students to see inside the sleeping room. The window is unnecessary and was permanently covered.
7. The two (2) end bedrooms in each resident living unit (Justice Hall and Unity Hall) had clear glass windows that faced the other resident living unit, allowing for cross viewing. The windows in all four (4) end bedrooms were covered with mirrored film, allowing residents to see outside their building but not allowing them to see inside the other resident living unit's bedrooms.
8. In the Welding Shop area, an unlocked resource room was discovered which would allow residents unsupervised access. The door was secured with a new deadbolt lock.
9. The ROP/SAA Vulnerability Assessment Form did not directly ask and record the resident's sexual preference and identity. The Form was modified to include both lines of questions and is now in use.

	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	ROP/Sierra Sage Academy has a written policy mandating zero tolerance towards all forms of sexual abuse and sexual harassment which outlines how it implements the agency’s approach to preventing, detecting, and responding to sexual abuse and sexual harassment. ROP/Sierra Sage Academy has a designated PREA Coordinator with sufficient time and authority to oversee the agency's efforts to comply with the PREA Standards and an On-site PREA Compliance Manager with sufficient time and authority to coordinate the facility's efforts to comply with the PREA standards.

<b>115.312</b>	<b>Contracting with other entities for the confinement of residents</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	Not Applicable – ROP/Sierra Sage Academy does not contract with other facilities for the confinement of residents

<b>115.313</b>	<b>Supervision and monitoring</b>
	<b>Auditor Overall Determination:</b> Exceeds Standard
	<b>Auditor Discussion</b>
	<p>ROP/Sierra Sage Academy exceeds PREA's future required staffing ratios by currently staffing at 1 to 6 for waking hours and 1 to 8 for sleeping hours. During the past twelve (12) months, ROP/Sierra Sage Academy has not deviated from these staffing ratios. The facility shift supervisors conduct and document unannounced rounds to identify and deter staff sexual abuse and sexual harassment. The facility has a very advanced video monitoring system which is used to protect residents against abuse.</p> <p>Corrective action required by Auditor included:</p> <ol style="list-style-type: none"> <li>1. Improve the lighting in the computer lab classroom and the corner rooms/hallways in both resident living units;</li> <li>2. Switch the medical exam room door that contained a vision panel window with the medical unit's student sick bay (sleeping room) door that was windowless;</li> <li>3. Replace the window in the entrance door to the staff housing unit with frosted glass;</li> <li>4. Apply mirrored film to the windows in the two (2) end bedrooms in each resident living unit that faced the other resident living unit; and</li> <li>5. <b>115.315</b>	<b>Limits to cross-gender viewing and searches</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>As verified by interviews with staff and residents and the Auditor's observations, Sierra Sage Academy's policy and practice is to always refrain from conducting cross-gender strip searches, cross-gender visual body cavity searches, and cross-gender pat-down searches. Residents shower, perform bodily functions, and change clothing without being viewed by staff.</p> <p>Although not a violation of PREA standards, the Auditor recommended the facility revisit its resident shaving policy, based upon complaints from residents about staff observing them while shaving.</p>

<b>115.316</b>	<b>Residents with disabilities and residents who are limited English proficient</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>ROP has established policies and procedures to provide disabled residents an equal opportunity to participate in or benefit from all aspects of the agency's efforts to prevent, detect, and respond to sexual abuse and sexual harassment. Sierra Sage Academy has both Spanish and English PREA posters displayed together throughout the facility. ROP takes reasonable steps to ensure meaningful access to all aspects of the agency's efforts to prevent, detect, and respond to sexual abuse and sexual harassment to residents who are limited English proficient.</p> <p>The Auditor recommended that ROP develop a standardized policy for the use of preferred interpreter services.</p>

<b>115.317</b>	<b>Hiring and promotion decisions</b>
	<b>Auditor Overall Determination:</b> Exceeds Standard
	<b>Auditor Discussion</b>
	<p>ROP policy requires Sierra Sage Academy conduct criminal background record checks at least every five years for current employees and contractors who may have contact with residents. Because of local requirements, Sierra Sage Academy conducts full background checks every three years, which exceeds the PREA requirements.</p> <p>ROP also imposes upon employees a continuing affirmative duty to disclose any allegations of sexual misconduct or abuse.</p>

<b>115.318</b>	<b>Upgrades to facilities and technologies</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>ROP/Sierra Sage Academy recently considered how an enhanced video system would improve the facility's ability to protect residents from sexual abuse and subsequently improved the existing camera system and expanded overall camera coverage throughout the facility. The facility's investigators use the videos to review and investigate incidents.</p>

<b>115.321</b>	<b>Evidence protocol and forensic medical examinations</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	ROP/Sierra Sage Academy follows a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings. Yerington Paiute Police Department (775-463-6620) is responsible for conducting criminal sexual abuse investigations, including resident-on-resident sexual abuse or staff sexual misconduct. The Crisis Call Center (800-273-8255) accompanies and supports the resident victim through the forensic medical examination process and investigatory interviews and provides emotional support, crisis intervention, and information to them.

<b>115.322</b>	<b>Policies to ensure referrals of allegations for investigations</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>

<b>115.331</b>	<b>Employee training</b>
	<b>Auditor Overall Determination:</b> Exceeds Standard
	<b>Auditor Discussion</b>
	ROP/Sierra Sage Academy trains all employees on all PREA required training elements and maintains the training documents. The facility documents the training through employee-signed forms indicating the employee understands the training received. The facility exceeds the PREA training standard by conducting refresher training every six months to ensure that all employees know the agency's current sexual abuse and sexual harassment policies and procedures.

<b>115.332</b>	<b>Volunteer and contractor training</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	All volunteers and contractors who work at Sierra Sage Academy have been trained on their responsibilities under the agency's policies and procedures regarding sexual abuse and sexual harassment prevention, detection, and response and have been notified of the agency's zero-tolerance policy. The Auditor reviewed and verified all Sierra Sage Academy's training records for their volunteers and contractors.

<b>115.333</b>	<b>Resident education</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	During the intake process, Sierra Sage Academy's residents are informed about ROP/Sierra Sage Academy's zero-tolerance policy and how to report incidents or suspicions of sexual abuse and sexual harassment. Within ten (10) days of intake, ROP/Sierra Sage Academy shows an age-appropriate comprehensive educational PREA video to all residents. In addition to providing such education, key PREA information is continuously and readily available or visible to residents through posters, the Student Handbook, or other written formats. The Auditor reviewed PREA training records for all residents and verified the acknowledgement forms were signed by residents and were securely maintained. ROP/Sierra Sage Academy has access to a language line and maintains a list of all bilingual facility staff.

<b>115.334</b>	<b>Specialized training: Investigations</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	ROP/Sierra Sage Academy conducts sexual abuse and misconduct administrative investigations only. Specialized administrative investigation training is provided to investigators. The Auditor reviewed all training records and verified the investigators completed the required specialized training for conducting sexual abuse administrative investigations and the training records were properly being maintained.

<b>115.335</b>	<b>Specialized training: Medical and mental health care</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	The Auditor reviewed ROP/Sierra Sage Academy's training records for their medical and mental health practitioners and verified that they had completed the required PREA training referenced in this standard.

<b>115.341</b>	<b>Screening for risk of victimization and abusiveness</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>ROP/Sierra Sage Academy utilizes a Vulnerability Risk Assessment Form as an objective resident screening instrument. Case Managers and Therapeutic Managers complete the Vulnerability Risk Assessment Form through the intake interview process as well as reviewing court records, case files, facility behavioral records, and other relevant documentation from the resident's case file. The Vulnerability Risk Assessment Form ascertains any gender nonconforming appearance or manner, and whether the resident may therefore be vulnerable to sexual abuse. However, the form did not ask residents if they identify as lesbian, gay, bisexual, transgender, or intersex. The Auditor required that the Vulnerability Risk Assessment Form be modified to include questions about one's sexual identity and preference. This was immediately implemented while the Auditor was on site.</p> <p>ROP/Sierra Sage Academy has implemented appropriate controls on the dissemination of the sensitive information ascertained at intake. Only the Case Managers and Therapeutic Managers have access to the resident's Vulnerability Risk Assessment Form.</p>

<b>115.342</b>	<b>Use of screening information</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>ROP/Sierra Sage Academy makes housing, bed, and program assignments for transgender or intersex residents at the Academy on a case-by-case basis. A transgender or intersex resident's own views, with respect to his or her own safety, shall be given serious consideration when making facility and housing placement decisions and programming assignments. All residents shower separately from other residents at the facility.</p> <p>Sierra Sage Academy does not isolate residents. However, Sierra Sage Academy policy does allow for isolation but only as a last resort. The policy further states any such isolation would be reviewed every 30 days.</p>

<b>115.351</b>	<b>Resident reporting</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>ROP/Sierra Sage Academy provides multiple internal ways for residents to privately report sexual abuse and sexual harassment, retaliation by other residents or staff for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may have contributed to such incidents. Sierra Sage Academy residents can report directly to the Yerington Paiute Police department via their hotline number. Residents are provided with pens, paper, envelopes, grievance forms, and one-on-one staff request forms. Sierra Sage Academy staff members are required to accept reports of sexual abuse and sexual harassment verbally, in writing, anonymously, and from third parties and promptly document any verbal reports.</p> <p>ROP/Sierra Sage Academy has documented procedures for staff to privately report sexual abuse and sexual harassment of residents, commonly referred to the "Whistle Blower Policy".</p> <p>It was noted that Sierra Sage Academy does not have any residents detained solely for civil immigration purposes.</p>

<b>115.352</b>	<b>Exhaustion of administrative remedies</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>ROP/Sierra Sage Academy has a Student (Resident) Grievance Program to address allegations of sexual abuse and harassment. Information about how to utilize the grievance process is provided in the Student Handbook. Residents are permitted to submit a grievance regarding an allegation of sexual abuse without any type of time limits and without first requiring an informal process. Residents have unrestricted access to grievance forms and each living unit has direct access to a locked grievance mail box. The PREA Manager and/or the Shift Supervisor has sole access to the grievance mail box which is checked daily.</p> <p>ROP/Sierra Sage Academy policy permits third parties, including fellow residents, staff members, family members, attorneys, and outside advocates, to assist residents in filing grievances or may file grievances on behalf of residents. ROP/Sierra Sage Academy has established procedures for filing an emergency grievance alleging that a resident is subject to a substantial risk of imminent sexual abuse. ROP/Sierra Sage Academy may discipline a resident for filing a grievance related to alleged sexual abuse only where the grievance program demonstrates that the resident filed the grievance in bad faith.</p>

<b>115.353</b>	<b>Resident access to outside confidential support services and legal representation</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>Compliance with this standard was determined by the following:</p> <p>ROP/Sierra Sage Academy's policy states that residents have access to the Crisis Call Center for victim advocacy services and emotional support related to sexual abuse. The policy also provides residents with confidential access to their attorney, parole officer, other legal representation, and parents or legal guardians.</p> <p>ROP/Sierra Sage Academy's PREA written materials and posters that are made available to residents provide contact information for these services. Sierra Sage Academy has a documented attempt at a signed MOU with the Crisis Call Center to provide victim advocacy and emotional support related to sexual abuse. The Crisis Call Center's hotline number is (800) 273-8255 and their website is <a href="http://www.ectownusa.net/livelocalrenosparks/mem_crisiscall">http://www.ectownusa.net/livelocalrenosparks/mem_crisiscall</a>. The Crisis Call Center was contacted by the Auditor and found to be acceptable.</p>

<b>115.354</b>	<b>Third-party reporting</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>Compliance with this standard was determined by the following:</p> <p>ROP/Sierra Sage Academy's PREA Policy § 115.354 requires the facility to accept all verbal, written, and anonymous reports from any source, including third parties. Notice of how to report allegations are posted in the lobby and other areas of Sierra Sage Academy with the toll-free hotline number and other reporting options. This information is also included in the PREA Orientation materials and the PREA education video for residents. Third party reporting forms are available to visitors in the lobby of the facility and as a PDF form on Sierra Sage Academy's website. The Auditor recommended that the reporting numbers made available to residents also be added to the visitor third-party reporting forms.</p>

<b>115.361</b>	<b>Staff and agency reporting duties</b>
	<p data-bbox="252 168 901 201"><b>Auditor Overall Determination:</b> Meets Standard</p> <p data-bbox="252 246 526 280"><b>Auditor Discussion</b></p> <p data-bbox="252 324 1484 952"> ROP requires all staff to report any knowledge, suspicion, or information they receive regarding an incident of sexual abuse or sexual harassment that occurred in any facility, retaliation against residents or staff who reported such an incident, and any staff neglect or violation of responsibilities that may have contributed to an incident or retaliation. ROP requires all staff to comply with all applicable mandatory child abuse reporting laws. ROP's policy prohibits staff from revealing any information related to a sexual abuse report to anyone other than to the extent necessary to make treatment, investigation, and other security and management decisions. All medical and mental health practitioners are required to report sexual abuse to designated supervisors and officials and are required to inform residents of their duty to report and the limitations of confidentiality. ROP/Sierra Sage Academy promptly reports any allegation of sexual abuse to the alleged victim's parents or legal guardians and reports all allegations of sexual abuse and sexual harassment, including third-party and anonymous reports, to the facility's designated investigators.  Interviews with the Program Director and Staff confirmed they are knowledgeable of their mandatory reporting duties. </p>

<b>115.362</b>	<b>Agency protection duties</b>
	<p data-bbox="252 1162 901 1196"><b>Auditor Overall Determination:</b> Meets Standard</p> <p data-bbox="252 1240 526 1274"><b>Auditor Discussion</b></p> <p data-bbox="252 1319 1476 1565"> ROP's policy "Prevention of Resident Sexual Assault and Abuse" meets the components of this standard. The policy states that if a resident was at risk of sexual victimization, they could temporarily be placed in another bedroom and/or living unit and the shift supervisor shall take other immediate appropriate actions to protect the resident. No Sierra Sage Academy residents have been placed in this status within the last 12 months. This was verified through interviews with the Program Director, Shift Supervisors, and other randomly selected staff. </p>

<b>115.363</b>	<b>Reporting to other confinement facilities</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	ROP/Sierra Sage Academy's policy states the Program Director will report all allegations that a resident was sexually abused while confined at another facility to the Administrator of that other facility within seventy-two (72) hours and all correspondence will be documented. Sierra Sage Academy had one (1) allegation in the past 12 months from a resident that alleged she was abused while confined at another facility. Sierra Sage Academy's Program Director immediately reported the allegation to that facility via a telephone call and then followed up with an email to the other facility's Facility Director within 24 hours of the allegation first being reported.

<b>115.364</b>	<b>Staff first responder duties</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	ROP/Sierra Sage Academy's PREA policy § 115.364 includes all of the components of this standard. All Sierra Sage Academy staff are trained in first responder duties. This was also verified through interviews with randomly selected staff and reviews of the training records.

<b>115.365</b>	<b>Coordinated response</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	ROP/Sierra Sage Academy has a written action plan (PREA Incident Response Follow Chart & Checklist) for responding to an incident of sexual abuse. The written plan coordinate actions, specifies which entities within Sierra Sage Academy are responsible for which actions, how actions should be sequenced, and which actions can occur concurrently with other actions. The ROP PREA Incident Response Follow Chart and Checklist is very comprehensive and includes the institutional plan to coordinate actions among staff first responders, medical and mental health practitioners, investigators, and facility leadership that are taken in response to an incident of sexual abuse.

<b>115.366</b>	<b>Preservation of ability to protect residents from contact with abusers</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	ROP is not a collective bargaining agency and there are no collective bargaining agreements at Sierra Sage Academy. Nothing in ROP/Sierra Sage Academy's policies inhibits the facility's ability to protect residents from contact with abusers. Nevada is an at-will employment state.

<b>115.367</b>	<b>Agency protection against retaliation</b>
	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>ROP/Sierra Sage Academy's policy states there will be no retaliation to any individual for making a sexual harassment charge toward a staff member(s) or anyone else. Residents, staff, contractors, volunteers, or third party reporters who choose to file a report of sexual abuse or sexual harassment, or cooperate with an investigation, shall not be subject to any form of retaliation related to the reporting of, or participation in, an investigation of such an act. Sierra Sage Academy has designated its Human Resource Director to monitor retaliation to protect staff and residents from retaliation, however, the Program Director also has a significant role in the monitoring process. ROP/Sierra Sage takes appropriate measures to protect staff and residents against retaliation which includes periodic status checks by the Program Director.</p> <p>The Program Director employs multiple protection measures, such as housing assignment changes or transfers for residents that may be a victim or an abuser, removal of alleged staff abusers from contact with victims, and emotional support services for residents or staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.</p> <p>For at least 90 days following a report of sexual abuse, the Program Director monitors the conduct and treatment of residents or staff who reported the sexual abuse as well as residents who were reported to have suffered sexual abuse to see if there are changes that may suggest possible retaliation by residents or staff. 	<b>Auditor Overall Determination:</b> Meets Standard
	<b>Auditor Discussion</b>
	<p>ROP/Sierra Sage Academy does not use isolation, however their policies state that residents who allege to have suffered sexual abuse may only be placed in isolation as a last resort when less restrictive measures are inadequate to keep them and other residents safe. The policy further states that this would only occur until an alternative means of keeping all residents safe can be arranged and the situation would be reviewed every 30 days to determine whether there is a continuing need for such separation. During any period of isolation, programs shall not deny residents daily large-muscle exercise and any legally required educational programming or special education services. Residents in isolation shall receive daily visits from a medical or mental health care clinician. Residents shall also have access to other programs and work opportunities to the extent possible. No resident who alleged to have suffered sexual abuse has been placed in isolation in the past 12 months.</p>

Rule violations shall be addressed through a consistent and fair process as documented in ROP Policy 600.121 - Code of Conduct.</p> <p>ROP/ Sierra Sage Academy prohibits all sexual activity between residents. A Sierra Sage Academy resident will be subject to disciplinary sanctions only pursuant to a formal disciplinary process following an administrative finding that the resident engaged in resident-on-resident sexual abuse or following a criminal finding of guilt for resident-on-resident sexual abuse.</p> <p>Any disciplinary sanctions shall be commensurate with the nature and circumstances of the abuse committed, the resident’s disciplinary history, and the sanctions imposed for comparable offenses by other residents with similar histories. In the event a disciplinary sanction results in the isolation of a resident, programs shall not deny the resident daily large-muscle exercise or access to any legally required educational programming or special education services. Residents in isolation shall receive daily visits from a medical or mental health care clinician. Residents shall also have access to other programs and work opportunities to the extent possible.</p> <p>The disciplinary process shall consider whether a resident’s mental disabilities or mental illness contributed to their behavior when determining what type of sanction, if any, should be imposed.</p> <p>Sierra Sage Academy offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse. The Program Director shall conduct a Multi-Disciplinary Team (MDT) meeting to consider whether to offer the offending resident participation in such interventions. The program may require participation in such interventions as a condition of access to any rewards-based behavior management system or other behavior-based incentives, but not as a condition of access to general programming or education. The program will discipline a resident for sexual contact with staff only upon a finding that the staff member did not consent to such contact.</p> <p>For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation. ROP/Sierra Sage Academy prohibits disciplinary action for a report of sexual abuse made in good faith.</p>
